### MAAPPS News

As a founding member of MAAPPS, ALIASS invites you to learn more about this organization dedicated to the process serving industry. To see if we have an event scheduled in your area, please visit us online at [www.maapps.org](http://www.maapps.org).

For your Hallmark Holiday delight, we have put together a few ways ALIASS can help you celebrate Valentine's Day this year!

### How Well Do You Know Your Valentine?

Love is in the air but be sure to keep a clear head, because it doesn't always turn up chocolates and roses. Sadly, scammers prey on unsuspecting singles, especially during this time of year.

*Are you searching for your soul mate this Valentine's Day?* You are one of millions, and the wrong people may be searching for you (and we aren't talking about that nightmare blind date!). Online dating is still a popular tool for relationship seekers, but it is hard to determine who may be lurking behind the computer screen. How do you know what embellishments were added or what may have been left out of that profile? Or worse, how do you know if that is even a genuine online dating profile you are reading? For your own personal safety, be certain he is actually 'Mr. Right' with a complete background check before you give personal, financial or professional details.

*Have you already been hit with Cupid's arrow?* Take the time to proceed with caution. While it is easy to get carried away with your head in the clouds this Valentine's Day, keep your feet on the ground and be sensible about your beau. A background check and some good old fashioned vigilance is a small cost for your safety and immeasurable value to your piece of mind.

### Where In The World Are You?

Valentine's Day brings out love from all areas of your life. Have you been looking for your best friend from High School? Did you lose touch with your college roommate after she backpacked through Europe? Or maybe you heard through the grapevine that your old flame is recently single again. This is a perfect time to reconnect with an old friend or loved one and ALIASS can certainly help! With the most basic of information, such as name, social security number, date of birth, and previous address, our professional investigators can locate your missing Valentine quickly and efficiently.

### Bad Timing? ALIASS Can Help!

Duty calls and unfortunately for your Valentine, the boss isn't concerned with Valentine's Day falling on a day you're scheduled to be out of town on business. Yes, it's a tricky balance between business and pleasure, but you'll be in the doghouse if you don't think of something quick! Do you have a special, expensive or valuable gift you need delivered with care and on time? ALIASS offers Executive Courier Service so let us deliver your package with tender loving care. Show her you really did think of everything (even if it was at the last minute!) and let us deliver your Valentine's delight. It's too cold to sleep outside!

## Special Rate of \$40.00!

Time is of the essence during a foreclosure process - let ALIASS help you serve MERS right the first time to keep your proceedings on the right track. And if you submit payment by check or credit card with your request, you are eligible to receive a promotional rate of \$40.00. Payment *must* be received with request in order to qualify.

- If you submit your request online, use our online ALIASS Service Request Form and then our ALIASS Submit Payment online form.
- If you mail your request, be sure to include a check written for this amount.

***This prepayment rate applies to our other specialized process services, too!***

If you need service to Secretary of State, Capital One, Citibank, Department of Justice, Navy Federal Credit Union, and Social Security Administration, just prepay as outlined in bullets above and you will qualify for this \$40.00 rate.

## From Our CEO

The first month of 2014 certainly has been exciting! My staff and I have been traveling all over Virginia, Maryland and DC meeting with clients and generally taking care of business. I am reminded again of how fortunate ALIASS is to have a professional staff who cares so much about our company, colleagues and clients.

I hope you all have had a great start to the New Year as well, and please let me know how my staff and I can be of service.

Sincerely,

Steven P. Harris
